EXCHANGE STUDENTS AT WOMAN'S CLUB

A panel of exchange students from the American Field Service presented a program at the meeting of the Mattapoisett Woman's Club held last Thursday afternoon in the parish hall of the Congregational Church. Miss Elizabeth Hastings of Fairhaven acted as moderator and opened the program by giving a history of the American Field Service.

Each student gave a brief talk on their country and the schools comparing them with the schools in this country. Exchange students present were Gabriele Falderbaum from Germany, a student at Dartmouth High School; Frank B. Jorgensen from Denmark, a student at Wareham High School; Rosalind C. Henson from Capetown, South Africa, a student at Old Rochester Regional High School; Michiko Kijima from Tokyo, Japan, a student at Fairhaven High School; and Stephen Entin from Fairhaven who spent the summer in the Philippines as part of the American Field Service program. Also speaking briefly was a member of the club, Mrs. David McIntyre, who visited a family in Italy under the American Field

ROCHESTER BOWLING LEAGUE, JANUARY 29

It was a quiet night in the Rochester Bowling League with all matches splitting 2 and 1 and no changes in the league standing. Lloyd's Market held on to top spot with a 2 to 1 win from Hiller's Garage. Eddie Graham toppled 366 for Lloyd's and Jay Hiller rolled a 389 for the Garage. Bob Jefferson rang up a 390 for the Knotty Pine Cafe and a 2 to 1 win over Hartley Saw Mill. Ralph Gurney's 362 led the losers. Hartley's Garage held on to second place, paced by Maury Dion's 344 and two points from Herb's T.V. Shop. Gus Johnson pinned a 365 for Herb's. A sparkling 369 by Ronnie Secia carried Sturtevant and Hook to a 2 to 1 win from the Woodchoppers. Stu Lawrence chopped down 382 pins for the Choppers.

PARENTS OF SON

Dr. and Mrs. Clayton King of Marion Road, Mattapoisett announce the birth of their second child, a son, Daniel Paul, born January 19th at St. Luke's Hospital, New Bedford.

TO THE EDITOR:

While being snowbound, I have been occupied in reading the Congressional Record, which our 12th District Congressman, Hon. Hastings Keith, sends to me. It is astonishing to note the many news items in it, which seem to be omitted in our nearby publications.

Many of us who butter our bread sparingly, or use margarine, due to the high price of butter, will derive no comfort from an article in the Chattanooga News-Free Press, stating that last August, the Commerce Department issued an export license to allow shipment to the East Germans - the ones who have the Berlin Wall _ of American butter valued at $860,000.

American exporters can sell 2,204,600 lbs. of butter at 39.009¢ a lb. because American taxpayers pay a subsidy of 24.5¢ a lb. By multiplying 2,204,600 lbs. by 24.5¢, the cost to American taxpayers is found to be $540,127.

Can any thinking person see any sensible reason why Americans should be obliged to pay high prices for butter in our own Country, and in ad-

dition, pay half a million dollars, to permit Communists to buy it for 39.009¢?

In the Congressional Record of January 13, was a crumb of comfort to Republicans like me, who took the recent election pretty hard, although I was delighted that my own Town of Marion voted just right. According to an Associated Press article in the Idaho Statesman, the top story for 1964 in Idaho was the election of Republican George Hansen of Pocatello, Idaho, as Congressman in the face of a national landslide of the Democratic Party, against an opponent who was running for re-election for a third term.

I think that the election of Senator George Murphy, who defeated Pierre Salinger in California, is in the same category.

The Chicago Daily News conducted a poll of Republican National Convention delegates, and learned that despite the election results, 71% of them would still back Barry Goldwater for President. Another highlight of the poll was that many blamed Governor Nelson Rockefeller for the election loss. As little regard as I have for the gentleman, I do not blame him any more than several others, who wear the Republican label, but gave aid and comfort to the Democrats.

THE OLD LION

It has been a period of climax. In the past year, we have lost three of the earth's giants. Douglas MacArthur, Herbert Hoover and now Sir Winston Churchill are gone. Each, in his time, had to suffer the detractions of lesser men and each lived to an old age filled with the honor and appreciation of the world's free men.

Sir Winston Churchill was a towering figure of history. No one, who can recall World War II, can do so without remembering the eloquence that rallied a nation to "Their Finest Hour". Read the chapters of his books and you hear and see the rumble of history. "The Gathering Storm, "Their Finest Hour," "The Hinge of Fate," "Closing the Ring," "Triumph and Tragedy," each bears the unique hallmark of that master of the English tongue. The Churchill voice generated the power of courage which proved the world's greatest bulwark. The Churchill vision made him tower above his contemporaries. He knew the formula to for leadership and stated it in 1919, "The finest combination in the world is power and mercy. The worst combination in the

WHALING MUSEUM

At a Trustee's meeting of the Old Dartmouth Historical Society held in January, it was voted to raise the adult admission price to the Museum from 75¢ to 99¢. This slight raise was made in an effort to off-set continued increases in the Museum budget which must be met out of operating expenses. There will be no change in the Museum charge of 25¢ for children from age 6 to 12 and school groups will continue to be admitted free.

In making this announcement, Director George Bowditch said that the Museum would continue its policy of having no charge on Wednesday afternoons from 2 to 5 during the months from October to May.

The Museum is closed on Mondays but is open Tuesday through Saturday from 10 to 5 and on Sunday from 1 to 5.

COMMUNITY CHORUS

The New Bedford Community Chorus commenced rehearsals at the Fairhaven High School auditoriu at 8 P.M. Tuesday, February 2nd. The auditorium hall has been made available through the courtesy and interest of the Fairhaven School Committee, Lynwood Harriman, superintendent.

The chorus, under the musical leadership of Ronald Isaac, was formed in the autumn of 1964 and gave an initial performance on WTEV, Channel 6. The program was presented as a public service feature by WTEV as a means of introducing the chorus to the community. Commenting on the performance James Buchholz in the Standard Times said, "The New Bedford Community Chorus made an auspicious television debut last night on WTEV, Channel 6, with an exquisite performance of March-Antoine Char-

Contributions may be sent to: New Bedford Community Chorus, Richard A. Pline, Treasurer, 265 Maple Street, New Bedford, Mass.

Funds for the initial performance were generously provided by: Sponsors, First Safe Deposit National Bank of New Bedford, New Bedford Dry Goods Co. and New Bedford Institution for Savings; Contributors, First Federal Savings and Loan Association of Attleboro, New Bedford, National Bank of Fairhaven, Mr. and Mrs. Charles Drake of New Bedford, Mrs. A. L. Phillips, Westmount, Quebec, Canada, Mr. Bryant Prescott, New Bedford, and Mr. and Mrs. Louis Sofro, Providence, Rhode Island.

Mr. David Hagen noted the organization's special indebtedness to these institutions, firm and individuals whose concern for the community made possible the initial concert.

All interested in singing are invited to join the chorus on Tuesday evenings at eight o'clock in the Fairhaven High School auditorium.

Mr. Isaac, music director, stressed that everyone is welcome - church choir members, barber shop singers, teachers, plumbers, clergemen, yogi enthusiasts - folks who have not sung in years but who would like to give it a try again - young people, old people, and tenors, singly and in bunches.

The chorus is a community project; its value will depend upon the extent to which it receives support from a wide range of singers and civic minded people who can contribute either money or effort.
